Dear MCA Members:

MCA is looking forward to meeting with returning and new state senators and delegates during **Advocacy Day 2021** and connecting with all throughout the General Assembly 2021 session. The Advocacy Committee of MCA is working hard to organize and make this day a success.

Advocacy Day will be **February 24, 2021**. We have state delegates and senators signing up. If you would like to be involved, please keep reading for your next steps:
